Tips for finding a room

Always write in English.

Reply fast — rooms go very quickly in Malta.

Never pay before visiting the property.

Be careful with scams: if the price is too cheap, it is suspicious.

Average rent for a shared room: 300–500 euros/month.

Average rent for a studio: 700–1000 euros/month.

Popular areas to live

Sliema: central, expensive, great for nightlife and shopping.

St Julian's: close to Paceville, popular with young expats.

Bugibba / St Paul's Bay: cheaper, quieter, more local feel.

Gzira: affordable, close to Sliema, popular with expats.

Valletta: historic but limited housing options.

What to ask the landlord

Is the utility bill included in the rent?

Is there air conditioning and heating?

How many people share the apartment?

Is there a formal rental contract?
